

# Where To Play Escape Games – Around The World!

## 4 Countries to Visit and Play Escape Room Games

Being initially popular in Asia and Western Europe, Escape room games have started to gain much popularity all around the world. Escape room games provide one the perfect opportunity to feel like an action movie character who has to solve a riddle and escape before their adversaries arrive leading to an unfavorable scenario. So where to play escape games? Just decide on an area of the world and get started!

Keep in mind, there are usually no evil adversaries in escape room games but instead time is the villain. Watching the clock is a major factor that plays in the player's mind while solving all those intriguing and exciting riddles. Because escape room games have started to become an international phenomenon, we have put together a little list of Where To Play Escape Games, a global edition, so that readers and escape room game enthusiasts can go on a round-the-world trip:

### • **Toronto, Canada:**

One of the most exciting places in the world to be, the bustling multicultural city of Toronto have picked up this gaming trend from Asia and ran with it. Now escape room games have very quickly become a commonplace for the residents and tourists alike.
