

# Room Escape Show 2018 – Tweets from Nashville

I tried to group together all my Tweets from the Room Escape Show held early this summer in Nashville. And by earlier this summer I mean two weeks ago.

These are just Tweets by me, there are no Tweets from fellow attendees. You may find some by searching #RoomEscapeShow but I seemed to be the only one using #REC18 which I think I started using because I saw it on Instagram? Anywho. Not many people on Twitter talking about the show.

Enjoy!
